This guide assumes that you have found out about all the different varieties of witchcraft spells that are online that exist. The internet is filled with millions of webpages that cater to all forms of magick spells. Witchcraft is a common catch-all term, for most people. Witchcraft spells are thought of us as the application of using the imagination, will power, desire and intention to alter physical reality.

Being able to change reality starts and ends with being able to change your own internal mental states. I will fill you in on a little secret you may have never heard before. You are reality itself. You are the universe experiencing itself subjectively, as a personified person, who you are. You are literally the universe. The lifestyle that you are living right now is the culmination of all the things you have thought and believed in.

Whether unconscious of these things or not. Your life, your environment, the people in your world, your job, your relationships, are all dependent on your mind. If you have lived a life with an uncontrolled mind that is filled with thoughts and impulses, you will have weaker magical ability. However, if you set magical goals and focus on

thoughts and impulses, you will have weaker magical ability. However, if you set magical goals and focus on learning [real magic powers](#), you will have to discover your own mental power. Your mind is best to be controlled and used constructively, and it is a terrible master. Do not let your mind control your brain. It is a tool and a tool is never a wise master. Those who understand magick spells will relate to this entirely. If you are new to learning real magic spells then let this paragraph sink into your thoughts. In fact, read it over a second time.

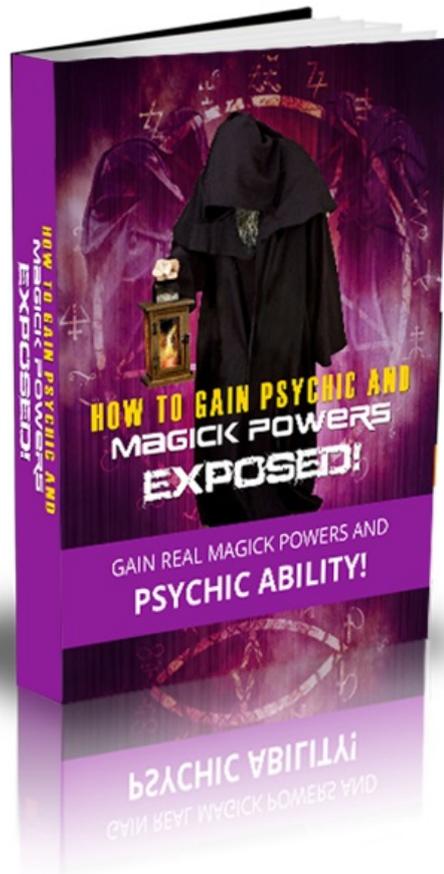

Anyone can easily use their own [real witchcraft spells](#) or you can also learn of them from the internet or books. Magic spells that really work, will be learned and known of by wizards and witches. The truest power of [witchcraft spells](#) will begin from the magician applying magical spells that alter and change physical reality, based on the will power of the magician. As stated earlier, if you are mentally weak, if you are unmotivated or are overcome by vices and bad habits your magick spells will not have the effects you desire. The very real powers of thought, imagination, desires, willpower, and intention are the four building blocks for making [witchcraft](#) work. If you want to learn how to get magic powers in real life, you will have to begin becoming your best self. This might mean that you give up negative vices or methods of living. You will need to literally empower yourself and your own life. This can take a long time, and the beauty of using real magic powers is that it is a life long quest. You may be weak with your real magic powers right now, but with practice, in six months from now, you could be incredibly powerful.

The mind is the garden where you plant thoughts that are programmed to create results. Much like a farmer with his plot of land, you must dedicate yourself to achieving the results you desire. You must plant positive thoughts that are intended to create action, that brings results. Your thoughts, imagination, desire, intention, and will power are how the universe reacts to your mind. If you want to learn how to get magical powers you will need to be your greatest self. You will need to master your own mind and learn how to change a negative thought or belief in it's exact opposite. You need to fill your mind with loving and clean thoughts so you and the mind vibrate at higher levels. You will need to achieve a desired mental state to cause your real magic powers to work. Reaching a special state of [magick](#) mentality will take you much further in your own personal life.
